

Pledge of Collective Responsibility

Protect Caledonia

At the beginning of the COVID-19 pandemic, the residents and staff of Caledonia Senior Living & Memory Care made personal commitments to one another. Recognizing that this community's greatest vulnerability is not actually on our campus but outside our doors, we committed to be COVID-careful and safe wherever we are. We accepted a collective responsibility to protect one another. As a result, the record of safety at Caledonia Senior Living is impeccable.

Home. Family. Love. As we implement our plan to safely reopen our doors, the people who live and work at Caledonia Senior Living, are thrilled to welcome you (back) into the community. And, as we do so, we make our commitment to you: we will protect you by protecting ourselves. In return, we ask you to make the same commitment to us:

___ I will **protect myself**.

___ I will protect the **people who live and work at Caledonia Senior Living**.

___ I will protect **others including my family, friends and colleagues**.

.....by way of the following.....

___ I commit to wear a **close fitting mask** over my nose and mouth.

___ I commit to **healthy hand hygiene** by frequently washing my hands with soap and water for at least 20 seconds and using hand sanitizer.

___ I commit to maintain **physical distancing** of at least 6 feet, especially indoors and in the presence of seniors or others with health concerns.

___ I commit to **stay away from large crowds** and poorly ventilated spaces.

___ I commit to fully consider taking a **COVID-19 vaccine**.

___ I commit to regular **self-health-assessments** to watch for symptoms of COVID-19.

___ I commit to **stay home** if I feel unwell or if I have been exposed to someone who has symptoms of or tested positive for COVID-19, even if I have been vaccinated.

___ I commit to **sanitize surfaces** and equipment before and after I touch them.

___ I commit to participate in safety protocols such as **testing and contact tracing**.

___ I commit to practice **COVID-19 etiquette** by showing kindness, compassion and patience to others, and encouraging their commitment to this pledge.
